

S. Erie St.

Cemetery Dr.

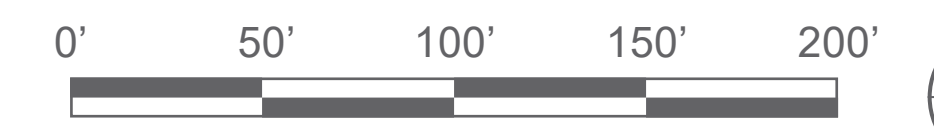

Ganargua Creek

Macedon Village Cemetery

Existing Site Conditions

Macedon, New York
June 11, 2020

This Conceptual Site Master Plan for the Town-owned cemetery, includes new access off of S. Erie Street, considers vehicular flow, expansion of current gravesite access, roads, signage, landscaping, new cell tower with equipment building, vegetative screenings, site drainage, new Town utility shed, and limiting vehicular access to the northern historic sections of the cemetery.
